Designation for Originating Requisitions

1. In response to informal request from the Services Division it is desired to advise you that the Fiscal Division is not in a position at this time, due to a classification survey, to appoint an Accountable Property Officer. It is expected that this matter will be resolved within the next 30 to 60 days, at which time an Accountable Officer will be designated. In the interim, requisitions originating for supplies and/or equipment from the Fiscal Division will be signed by one of the individuals whose signatures appear hereon.
